

# Children's Parties at Leeds Playhouse

## Terms and conditions

Our special introductory offer relates to our party food offer only, and does not include the price of tickets. Tickets should be booked and paid for separately.

You have exclusive use of the party space above the Front Room Café from 15 minutes before the performance starts so you can drop off the cake and any extra decorations you want to bring along, until 1 ½ hours after the show ends to enjoy party food and play in the PLAYhouse.

Our party staff will be on hand to make sure the party runs smoothly, but they are not responsible for the supervision of children so please make sure that some of the grown-ups stay in the party space too.

You may find that if all the grown-ups stay in the party space there isn't as much room to play, so they are welcome to grab a seat in our café if they would prefer.

We use colourful bunting, banners & balloons to decorate the space so you don't have to. If you do want to bring your own special or themed decorations, please don't attach them to surfaces or walls, and please take them home with you after the party.

We'd love for you to bring your child's birthday cake with you, and are happy for you to bring candles for them to blow out, but please do not use sparklers or sparkler candles.

Our PLAYhouse is open to everyone when it's not booked for parties. Sometimes things are misplaced, or we have to take things to get mended, so please don't be sad if your favourite dress-up is not there for your party.

We do our best to cook up some delicious party food, so please do not bring party food from outside. If you have something particular in mind for party food, let us know and we'll be happy to look into this you.

Portions for our party food is based on catering for children. If you would like food for the grown-ups to please do ask. We require at least 2 weeks' notice for party food numbers. Don't forget to let us know about any allergies, dietary information.
